Questions for Consideration

- What does a culture of quality look like in the North?
- What are the regional quality priorities and challenges?
- What are the regional quality opportunities/strengths and partnerships to draw upon?
- What would be 3 key actions that would bring us closer to a quality agenda for the North?
- Are clinicians engaged and leading – if not, why?

Session Evaluation and Outcome Assessment

These short forms serve important functions!

- For **speakers**: Your responses help them understand their strengths and weaknesses, participant learning needs, and teaching outcomes
- For **the CEPD office**:
 - To plan future programs
 - For quality assurance and improvement
 - To demonstrate compliance with national accreditation requirements
- For **YOU**: Reflecting on what you've learned and how you plan to apply it can help you enact change as you return to your professional duties

Please take 3-5 minutes to fill the evaluation form out. Thank you!
