Design & Development

Consistency

Keep things ***consistent***avoid

- DIFFERENT FONT TYPES
- Too many colours
- Or too many animations that

Make the content difficult to follow...

Implementation Strategies

- Third Slide – Learning Objectives
- Fourth Slide – Discussion Point
 - Ask or poll the class about material that was covered
 - Use a case discussion related to the material
 - Start with a question and answer to “test the students knowledge”

Session Evaluation and Outcome Assessment

These short forms serve important functions

- For **speakers**: Your responses help them understand their strengths and weaknesses, participant learning needs, and teaching outcomes
- For **the CEPD office**:
 - To plan future programs
 - For quality assurance and improvement
 - To demonstrate compliance with national accreditation requirements
- For **YOU**: Reflecting on what you've learned and how you plan to apply it can help you enact change as you return to your professional duties

Please take 3-5 minutes to fill the evaluation form out. Thank you!
