Program Description

The program is a monthly virtual lecture series providing the attendee with expert lecturing from a variety of areas of expertise in the etiology, epidemiology, diagnosis and management of serious mental illness in clinical care. By attending the program, the attendee will enhance their skills in clinical care.

Objectives

By the end of the program, participants will be able to:

1. Assess and explain the cost of GAD on our society.
2. Demonstrate skills in diagnosis, mechanism and treatment of GAD.

Presenters

Dr. Martin Katzman is Clinic Director at the START Clinic (Stress, Trauma, Anxiety Rehabilitation and Treatment) for Mood and Anxiety Disorders as well as a staff psychiatrist at the Centre for Addiction and Mental Health – Clarke Division. He is also Assistant Professor within the Department of Psychiatry at the University of Toronto, as well as Assistant Professor at the Northern Ontario School of Medicine (Laurentian University and Lakehead University). Dr Katzman is appointed in both the Department of Psychology and the Department of Community Health at Lakehead University.
