

Regional Educational Rounds

Topic: Pharmacy - Aspirin and Clopidogrel therapy following PCI

**Tuesday, February 9, 2010
7:30 a.m. to 8:30 a.m. EST**

Program Description

The Northern Ontario School of Medicine, in collaboration with Thunder Bay Regional Health Sciences Centre and the Ontario Telemedicine Network, will provide a stimulating learning experience with a focus on medicine for medical learners including physicians, clinical teachers, and all other health-care professionals.

Objectives

By the end of the program, participants will be able to:

1. Foster communication among medical learners;
2. Ensure that educational rounds are needs-driven, evidence-based, and peer-reviewed; and,
3. Apply new knowledge in the professionals' scope of practice.

Presenters

Dr. Mark Henderson
Director of the Interventional Cardiology (Angioplasty) Program
Thunder Bay Regional Health Sciences Centre
