

# Technology and Information Management Support (TIMS)

## From MyLearningOnline to MyCurriculum: Where we were, where we are now, and where we are going

**Date: September 21, 2010**

**12:00 p.m. to 1:00 p.m. EST**

**NOSM East Campus: HSERC 109**

**NOSM West Campus: ATAC 6022**

**\*\* This is a face-to-face, OTN videoconference and live webcast event. \*\***

### Program Description:

Brought to you by the Technology and Information Management Support (TIMS) unit, this session will discuss how NOSM's MyLearningOnline curriculum delivery platform was developed and how it is being re-built from the ground up in Moodle, the School's new Learning Management System. The focus will be the initial implementation of MyCurriculum, the Undergraduate Medical Education Program's learning environment in Moodle.

### Objectives:

#### By the end of the program, participants will be able to:

1. Describe the reasoning behind the decision to move the Undergraduate Medical Education (UME) program curriculum to Moodle, the School's new Learning Management System
2. Apply knowledge of NOSM's new Learning Management System, Moodle
3. Identify the features of Moodle that will enhance the UME Learning Environment

### Presenters:

**Nicole Cardinal**—OCT, M.A., is a Senior Instructional Designer with the Technology and Information Management Support (TIMS) unit at the Northern Ontario School of Medicine. She has been part of the team that has designed the Undergraduate Medical Education program at NOSM for the past 6 years. In her previous employment, she designed courses and provided faculty support within programs in several disciplines and worked as an Ontario Certified Teacher.

**Tim Dube** – Tim Dubé, B.A. (Hons.), M.A., is a Curriculum Instructional Designer with the Technology and Information Management Support (TIMS) unit at the Northern Ontario School of Medicine. He is part of the team committed to providing ongoing pedagogical support in the planning, development, and implementation of teaching and learning initiatives (i.e. Undergraduate Medical Education). Tim is also a 2<sup>nd</sup> year student in the Interdisciplinary PhD Program in Rural and Northern Health at Laurentian University.
