

Palliative Care Education Series

Delirium

Presented by: Dr. Deb Harrold

CYIPS-01706-A

Thursday, February 22, 2018
8:00 a.m. – 9:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Identify the diagnosis criteria of delirium.
- Determine most likely causes of delirium.
- Discuss treatment options for delirium causes and symptoms.
- Review current research in delirium management strategies.

PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues. During this session, Dr. Harrold will discuss delirium.

PRESENTERS

Dr. Deb Harrold is a family physician providing palliative care consultation support in Huntsville through the HOPE Huntsville palliative care team. She is medical director at Algonquin Grace, Hospice Huntsville and she provides regional leadership in palliative care as clinical co-lead for the North Simcoe Muskoka regional palliative care network.

Dr. Harrold has worked in palliative care over 10 years and is dedicated to mentorship and education opportunities to improve palliative care for all.
