Saturday, September 19, 2015 from 8:30 a.m. - 12:30 p.m.

OBJECTIVES
By the end of the program, participants will be able to:
• Apply new and current guidelines, knowledge and skills to clinical practice in order to improve patient outcomes.
• Assist learners in functioning more effectively and professionally as members of an interdisciplinary team.

PROGRAM DESCRIPTION
This is a two-day conference hosted annually by the Thunder Bay Medical Society in Thunder Bay, Ontario. It is designed to bring family physicians, specialists, health-care practitioners, medical directors, residents, and medical students together to share information on current trends, new innovations, and evidence-based practices across the continuum of care. Professional and faculty development opportunities are also incorporated into the conference.

DEADLINE TO REGISTER
The deadline to register is Monday, September 14, 2015. To register, visit the Thunder Bay Medical Society’s website at tbms.ca or call Marion Robinson at 807-684-6000 ext. 4426 for more information.
