## QI & Research Working Group

### Continuing Education and Professional Development, NOSM

Name:

Date:

**1. How do you see your project intersecting with research and/or QI in Continuing Education and Professional Development at NOSM?**

**2. What feedback would like you like from the QI & Research Working Group?**  
*(e.g., please list a question you would like answered, particular expertise or perspectives you would like to gain from the meeting).*

**Please return this along with a short (1-page) summary of your project. We will circulate these to the QIRWG members before the meeting to encourage useful response and discussion.**

*Thank you!*
