

# Palliative Care Education Series

Palliation of End-Stage Heart Disease

Presented by: Dr. Mark Henderson

**CYIPS-01801-A**

Thursday, September 27, 2018  
8:00 a.m. – 9:00 a.m. EST

## OBJECTIVES

By the end of the session, participants will be able to:

- Describe how a heart failure program can benefit your patients.
- Identify when to initiate a palliative approach in a patient with end-stage heart disease.
- Recognize when it is appropriate to discuss the de-activation of an ICD.

## PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues. During this session, we will discuss the palliation of end-stage heart disease.

## PRESENTER(S)

**Dr. Mark Henderson MD, RCPSC**, is the Chief of Cardiology at Health Sciences North.
