**Interprofessional:** Participants attending CampMed learn the importance of interprofessionalism in health-care settings by learning about various health careers and how those professionals work together to ensure the well-being and health of patients. The majority of the interprofessional learning at CampMed is provided by the health-care professionals who participate in the career fair as well as mentors who are the NOSM's students and undergraduate student volunteers from Northern Ontario.

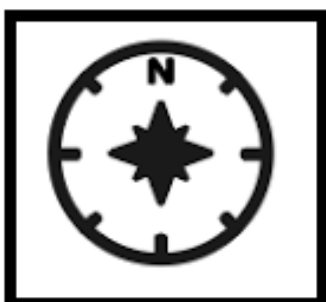

# CAMP MED

**CampMed:** CampMed is founded on four pillars of learning. From top left and going clock wise, the icons in the CampMed logo represent interprofessionalism, leadership, culture, and clinical skills.

Throughout the week, campers will gain knowledge and skills in each of these pillars.
