Chronic Pain & Opioid Stewardship

Join us for a mini-series focused on opioid stewardship.
These 1.5 hour evening sessions will have a short didactic presentation
by our hub specialists, followed by 2-3 case presentations.

Topics:

1. The how, what, why and when of initiating opioids for chronic pain.
2. Developing a successful weaning plan for your patient on chronic opioid therapy.
3. Opioid Use Disorder in your practice: Treatment is easier than you think
