

Palliative Care Education Series

Rehabilitation in Palliative Care

Presented by: Andraya Bitonte, Sarah Brown, and Dr. Andrew Migay

CYIPS-01802 -A

Thursday, January 24 2019
9:00 a.m. – 10:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Describe the benefits of rehabilitation for persons nearing the end of their lives.
- Identify the roles Physiotherapy and Occupational Therapy can play in improving quality of life of palliative care patients.
- Select end of life patients who could benefit from a rehabilitative approach to their care.

PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues. During this session, we will discuss rehabilitation in palliative care.
