North Bay – Gateway to the North...just far enough North to be PERFECT

The city of North Bay has approximately 56,000 population and is situated on the very beautiful **Lake Nipissing and Trout Lake**. Take a walk along our waterfront and enjoy the view whatever the season. There is so much fun for the outdoor enthusiast...from water-skiing, sailing, canoeing and fishing in the summer to hunting and hiking in the fall. If you're a golfer, take part in the 3 courses within the city or just 'scoot' over to the others close-by. Our winters are especially great for ice fishing, snow shoeing and sledding. North Bay also has great skiing and family fun activities at Laurentian Ski Hill located within the city itself, as well as a few cross-country trails in the immediate vicinity.

If you're looking for **cultural events**, take in our productions at the Capitol Centre. You'll enjoy the stage shows, concerts and comedy events, we're sure. North Bay is truly a wonderful place for all ages. We can offer you countless **sporting events** for young and old, no matter what time of year...soccer, baseball, golfing, skiing, hockey, curling, bowling, pool, darts, basketball and volleyball. For **sport viewing enthusiasts**...North Bay is establishing itself as a "**University and College Town**" with many sports for your entertainment.

We truly are the **Gateway to the North**...only 3 hrs from Toronto, 4 hrs from Ottawa, 4 hrs from Timmins and about 1 hr from Sudbury. We are the big town image with the small town hospitality. **Just perfect.**

We'd love to hear from you:
