

Northern Constellations 2019 - Registration and Cancellation Policy

Charter and Accommodation Reservation Deadline (space permitting): April 12, 2019

Registration Deadline (space permitting): Monday April 29, 2019

Registration on-site: May 3 & 4 2019:

There will be no opportunity to register on-line after the deadline of Monday April 29, 2019 at 4 pm. However, registration MAY be available on-site if space permits, at the discretion of the NOSM CEPD Office. The conference is expected to reach capacity and we cannot guarantee that a spot will be available.

Registration & Associated Travel Coverage for NOSM Faculty and NOSM Staff Workshop Presenters: NOSM's Faculty Affairs/CEPD Unit will cover Northern Constellations 2019 registration, travel within Northern Ontario, and accommodations, as space permits, for faculty with active appointments and any NOSM staff presenting a workshop. All faculty, including presenters and staff presenters must register for the conference via the registration link.

Faculty and staff presenters must attend both days of the conference to be eligible for charter flights, ground transportation, and/or accommodation and will have the opportunity to request a seat on a Northern Constellations 2019 chartered plane on a first-come, first-serve basis during registration by providing a valid credit card number to hold their seat.

Physicians who have completed and submitted a complete faculty appointment application a minimum of six weeks prior to the conference (Mar 29, 2019) will be eligible for registration/travel/accommodation coverage.

Travel and accommodations will be allocated on a first come, first served basis, by the travel registration deadline of Friday April 12, 2019 or until maximum delegate spaces have been reached. As a result, we encourage you to please register as early as possible as we anticipate interest to exceed our allocated charter seats.

Mileage reimbursement is available for those residing within 300 km of Sudbury and for those who need to commute to a different community to catch a charter flight. We encourage car-pooling in an effort to contain costs and reduce carbon emissions. Local transportation to and from airports in communities where charters are scheduled will not be reimbursed.

A charter bus will be available for those who have flown on the chartered flights to travel between the Sudbury Airport and the Holliday Inn upon landing. Rental vehicles, taxi services, airport parking, meal expenses, and incidental fees are not eligible expenses for this event.

For your convenience, NOSM's travel reimbursement form and policy will be available at the conference.

Charter Refund Policy for NOSM Faculty and NOSM Staff Presenters
