# Occupational Therapist
## 2 Regular Full Time (Kenora)
## OPSEU Position

FIREFLY is growing!  Consider living in beautiful Kenora, located on Lake of the Woods.  FIREFLY is seeking two full time Occupational Therapists to work in the Kenora/Rainy River Districts.   Reporting to the Clinical Manager, the Occupational Therapist will engage in the screening, assessment, interpretation and rehabilitation of infants, children and youth with occupational performance issues such as sensory processing issues and fine motor difficulties. Duties will include caseload management, assessment, treatment planning, consultation, caregiver (home & school) training, and acting as a resource for other FIREFLY staff and community agencies as well as attending unit and service meetings.  Additional opportunities can be considered based on experience and interest.  You will work with a dynamic multi-disciplinary team.  Travel to outlying areas within the Kenora District will be required.

**Qualifications:**
- Masters or Bachelor Degree in Occupational Therapy
- Registration with the College of Occupational Therapy in Ontario
- Previous experience in a pediatric setting will be considered an asset
- Sound knowledge of normal/abnormal child development
- Understanding of the Ojibway Culture, First Nation Communities and language is a definite asset.
- Ability to use a wide range of assessment tools
- Demonstrated proficiency in the use of occupational therapy techniques
- Ability to work creatively with clients both individually and in group settings
- Sensitivity to the needs of parents/caregivers and the ability to support and involve them in programming
- Computer literate with experience in electronic client file entry
- Valid driver's license in good standing
- Criminal reference/vulnerable sector check in good standing
- Fluency in French would be an asset
