**OPSEU Position**

FIREFLY is growing! Consider living in one of our picturesque communities in Northwestern Ontario. Each of our communities are located in the heart of the boreal forest with easy access to lakes and great outdoor living. FIREFLY is seeking four full time Speech Language Pathologists to work in Kenora/Rainy River Districts and in First Nation Communities in the Kenora District. Reporting to the Clinical Manager, the Speech Language Pathologists will engage in the screening, assessment, interpretation and home programming of infants, children and youth with communication impairments. Duties will include caseload management, assessment, treatment planning, consultation, caregiver (home & school) training, and acting as a resource for other FIREFLY staff, partnership staff and community agencies as well as attending unit and service meetings. Additional opportunities can be considered based on experience and interest. You will work with a dynamic multi-disciplinary team. Individuals filling these positions will benefit from the availability of additional SLPs working within the Agency and access to a mentor. Travel to outlying areas within the Kenora District will be required.

**Qualifications:**

- Master's Degree in Communication Disorders
- Registration with the College of Audiologists and Speech-Language Pathologists of Ontario
- Previous experience in a pediatric setting will be considered an asset
- Demonstrated planning, organizational and facilitation skills
- Understanding of the Anishinabe culture, First Nation Communities and language is a definite asset.
- Ability to use a wide range of assessment tools
- Ability to work creatively with clients both individually and in group settings
- Sensitivity to the needs of parents/caregivers and the ability to support and involve them in programming
- Computer literate with experience in electronic client file entry
- Valid driver's license in good standing
- Criminal reference/vulnerable sector check in good standing
