

Palliative Care Education Series

Forget me not: Practical considerations for palliative care in patients with dementia

Presented by: Dr. Kaitlin Sheridan

CYIPS-01805-A

Thursday, May 23, 2019
8:00 a.m. – 9:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Define dementia and describe common subtypes.
- Apply tools to assess frailty.
- Integrate a palliative approach to end of life care for patients with dementia.
- Identify special considerations.

PROGRAM DESCRIPTION

With an ever increasing number of elderly patients with dementia across Canada, there is a greater demand on clinicians to provide end of life care in a variety of practice settings.

PRESENTER

Dr. Kaitlin Sheridan, MD, CCFP, completed her medical degree at the Northern Ontario School of Medicine in 2016 followed by her family medicine residency in 2018. Dr. Sheridan is currently completing fellowship training in Care of the Elderly.
