

Palliative Care Education Series

Developing Palliative Care in First Nations Communities in Ontario

Presented by: Robin Cano

CYIPS-01806-A

Thursday, June 20, 2019
9:00 a.m. – 10:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Summarize research findings supportive of the development of community-based Palliative Care in First Nations communities in Ontario.
- Illustrate examples of First Nation-driven community Palliative Care initiatives in Ontario.
- Recognize gaps and challenges in the delivery of community-based Palliative Care in First Nations communities in Ontario.
- Identify community-driven work as a mechanism to address the gaps and challenges consistent with recommendations arising from research.

PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues.

NOSM at Laurentian University: HSERC 234
NOSM at Lakehead University: BSC 1014

Webcast

Instructions will be sent to all registrants.

Ontario Telemedicine Network (OTN)

Please specify your OTN location when registering.

PRESENTER

Robin Cano, RN, has been a registered nurse since 1993. She has worked across care settings in the hospital and community. Recently, Robin returned to the position of Palliative Pain and Symptom Management Consultant at the North West LHIN from an interchange at First Nations Inuit Health Branch, Ontario Region, where she was the Regional Coordinator for Home and Community Care in the 133 First Nations Communities in Ontario. Robin is an advocate for the provision of equitable access to end of life options for care, regardless of care setting. To this end, she has a passion for knowledge translation to support strong front line voices and caregivers.

DEADLINE TO REGISTER

Tuesday, June 18, 2019
