

PHYSIOTHERAPIST – FULL TIME.

Manitoulin Physiotherapy Centre is looking for a Registered Physiotherapist for a full time position within a unique and exciting private practice multidisciplinary team. We are an award-winning clinic offering a wide variety of services to clients from Manitoulin Island and the surrounding area, accessing care through MVA, private coverage and publicly funded programs (both Primary Care and Episode of Care). Manitoulin Physiotherapy Centre is a physiotherapist-owned clinic, staffed with full administrative support, qualified and experienced professionals including Registered Physiotherapists, Massage Therapists, Kinesiologists and an Occupational Therapist. We have a diverse and growing practice setting, providing clients with a singular local resource for acupuncture, concussion management, persistent pain management, pelvic health, seniors care including falls prevention, and paediatric school health support services.

Manitoulin Island is an oasis for those who live life outdoors. Manitoulin is a boater's paradise in summer, a barrage of colour in the fall and a stunning winter playground. Anywhere you find yourself on the Island, you'll be only minutes from the lake.

We are offering:

- Competitive remuneration for full time or locum opportunities
- Customizable education support and career growth
- \$1000 signing bonus, and relocation incentive for full time positions
- 1 hour assessments and 20 min follow-up times standard, (new grads start with 30 min follow-up times) to ensure you have time to develop your skill set
- Brand new state of the art facility with large windows and natural light, large gym
- Electronic medical record keeping
- Strong relationships with local health teams, consistent and stable referral base

Qualifications:

- Registered in good standing with the College of Physiotherapists of Ontario
- Preferred experience/professional interest in manual therapy and acupuncture
- Macintosh software and electronic medical record experience an asset
- Excellent communication, interpersonal and documentation skills, and ability to work effectively in a dynamic team setting
- New grads welcome to apply
