PLEASE SEE NEXT PAGE

AVAILABILITY

1. The majority of work in the Standardized Patient Program is scheduled on Tuesday and Thursday mornings. I would be available for occasional hours on either/both of these days:

Yes No

2. I'm looking for:

Long-term involvement (2+ years) Short-term involvement (1-2 years)

PHYSICAL EXAMINATIONS

1. **Physical Examination:** Standardized patients are used to help teach and assess physical examination techniques (eg. using a stethoscope, taking blood pressure, knee exam, listening to heart, etc.).

I would feel comfortable doing this kind of work. Yes No

2. **FEMALE standardized patients** are sometimes used to help teach and assess breast examination techniques.

I would feel comfortable doing this kind of work. Yes No

3. **MALE standardized patients** are sometimes used to help teach genital and rectal examination techniques.

I would feel comfortable doing this kind of work. Yes No

GENERAL

Interests/Hobbies:

I heard about the Standardized Patient Program through/from:

My main reason(s) for wanting to become a Standardized Patient is/are:
