

2019 Palliative Care Conference

Quality in Action - Our Northern Perspective

Friday, October 25, 2019

**Delta Waterfront Hotel
208 St. Mary's River Dr., Sault Ste. Marie ON, P6A 5V4**

The Northern Ontario School of Medicine's (NOSM) Palliative Care Program Planning Committee invites you to attend the 2019 Palliative Care Conference to be held in Sault Ste. Marie, Ontario. The conference will offer a number of sessions covering a wide variety of palliative care topics.

CONFERENCE OBJECTIVES

This conference aims to:

1. Identify and understand the challenges of current palliative care provision in Northern Ontario.
2. Develop a community of practice amongst palliative care providers in Northern Ontario, in all levels of palliative care (primary, secondary, and tertiary).
3. Share local successes of quality palliative care in order to highlight sustainable initiatives in palliative care in Northern Ontario.

WHO SHOULD ATTEND

This conference is targeted towards family physicians, nurse practitioners, registered nurses, medical students, medical residents, personal support workers, hospice staff, and all allied health-care professionals working with palliative patients.

Keynote Speakers

Maryse Bouvette,
BScN (Laval), MEd (Ottawa), CON(C),
CHPN (C)
Advance practice nurse, specialized
in palliative care Education and
mentoring, with a special interest in
the interprofessional education and
practice and related communication.

Hsien Seow,
PhD (Johns Hopkins), BSc (Yale),
is the Canada Research Chair
in Palliative Care and Health
System Innovation at McMaster
University and Director of the
ICES-McMaster site.
www.palliativecareinnovation.com

Barbara Pesut PhD, RN
Dr. Pesut is a Professor in the School
of Nursing at the University of British
Columbia, Okanagan and holds a Canada
Research Chair in Health, Ethics, and
Diversity. Her program of research focuses
on rural palliative care, and improving the
quality of life of older adults living at home
with advancing chronic illness.
