(<https://stream.nosm.ca/1.aspx>) For WebEx:

<https://nosm.webex.com/nosm/j.php?MTID=meebfd40a8c1f782a031959b67b4023ac> Meeting number: 644 569 226

**Presenter: Dr. Marie Lebel PhD, Professor (Hearst), has research interests that include the history of community-based mental health services in Canada, health care in minority contexts, as well as migration and health.**

This Group's Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1.0 Mainpro+ credits.

### NOHHMG

The Northern Ontario History of Health and Medicine Group links students, faculty, researchers, practitioners, staff and interested individuals from across the North and beyond from a range of disciplines/professions. It is open to the public.

**Learning Objectives:** Demonstrate knowledge of the history of mental health and deinstitutionalization. **Discuss research methods, sources, & results related to a life path approach to mental health research.** Discuss and develop a wider critical perspective on the history of mental health that can help inform their perspectives on issues related to practice & relevant public debates.
