

DIVISION OF HUMAN SCIENCES SEMINAR SERIES

'Translational' Research to Address Dementia Care Needs in Indigenous Populations

Dr. Kristen Jacklin, PhD

Dr. Kristen Jacklin, Ph.D., Professor, Medical School, University of Minnesota. Dr. Jacklin is a medical anthropologist specializing in Indigenous health research using community-based participatory research methods. Her research includes investigations concerning aging, cognitive health and dementia, as well as diabetes. Previously Dr. Jacklin was full-time faculty in Human Sciences at NOSM.

Thursday, February 13, 2020

12:00-1:00 p.m.
