Northern Ontario School of Medicine Screening Questions for COVID -19

Please answer the following questions:

	YES	NO
1. Have you recently travelled to affected areas deemed as high risk (per the federal government's travel advisories)?		
2. Have you travelled to an international destination recently (but not an area identified as high risk per the federal government's travel advisories)?		
3. Have you been in close contact with a confirmed or probable case of COVID-19?		
4. Have you been in close contact with a person with acute respiratory illness who has travelled to an area deemed as high risk (per the federal government's travel advisories) in the 14 days before their symptom onset?		
5. Do you have fever, and/or new onset of cough, or difficulty breathing?		

If you have answered yes to any of the above questions, please contact the following for further direction BEFORE returning to school or work:

- Medical Students – John Friesen – jfriesen@nosm.ca
- Residents and Health Sciences – Jennifer Fawcett – jfawcett@nosm.ca
- Clinical Faculty – Anita Arella – aarella@nosm.ca
- Visiting Electives – Joel Leduc – jleduc@nosm.ca
- Staff/Faculty/Researchers – Human Resources at hr@nosm.ca

If you are seriously ill, IMMEDIATELY CONTACT BY PHONE, a health-care professional or local Public Health Unit.

Public Health [contact information](#) for your community can be found online.
