

Palliative Care Education Series

Challenging Conversations: Common Tools

Presented by: Dr. Christine Pun

Thursday, May 14, 2020
8:00 a.m. – 9:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Illustrate various approaches to facilitating essential discussions related to palliative and EOL care
- Discuss Advance Care Planning, Goals of Care and Treatment

PROGRAM DESCRIPTION

An interactive session to explore key concepts in and tools for person centred decision making and palliative care communication. This session aims to increase the health care provider's comfort level in approaching challenging conversations during the COVID-19 Pandemic and beyond.

PRESENTERS

Christine Pun, MD CCFP (EM) (PC) FCFP

Dr. Pun is an Emergency physician and Palliative Care physician at Health Sciences North. She completed her M.D. at the University of Toronto, and completed Family Medicine Residency in Cape Breton, Nova Scotia. Prior to moving to Sudbury, Dr. Pun was a family physician in Elliot Lake. She is an Assistant Professor at NOSM and is passionate about the advancement of Advance Care Planning and Goals of Care Discussions and Palliative Care education.
