CLINICAL SERVICES	
Hospital description / services	<p>Health Sciences North – https://hsnsudbury.ca/en</p> <ul style="list-style-type: none"> HSN is a tertiary care centre with 25 sites across the region, we provide critical and inpatient care for more than half a million people across a variety of services and programs including cardiac care, oncology, nephrology, trauma and rehabilitation. We are one of Canada’s Top 40 Research Hospitals, and our Regional Cancer Program ranks among the top five in Ontario on quality improvement indicators. We are an organization dedicated to being patient and family focused, digitally enabled, and socially accountable, while supporting and developing our people and advancing our academic and research impact for Northeastern Ontario.
