SUPPORTS AND EXPECTATIONS FOR LOCUMS OR LEARNERS COMING TO THE COMMUNITY	
Teaching	<p>MICS Group of Health Services (including Matheson) welcome NOSM University medical students to undertake their 108/110 ICE placements. We also welcome elective students and residents to come and train with us in broad scope rural family medicine and general practice anesthesia.</p> <p>MICS Group of Health Services are planning to become a NOSM University clinical clerkship site and build an exciting and crucial educational infrastructure. This will lead to an enrichment of our health services through education, fostering a “learning community”. This will enable us to ‘grow our own’ future health professionals.</p>
Living: housing and accommodations	<p>MICS Group of Health Services and the Iroquois Falls Family Health Team offer free housing for 24 months as part of their Recruitment Incentive Package for full-time physicians!</p> <p>Additionally, a secondary option of subsidized housing also exists– this provides physicians with the luxury of choosing their own home, and having the mortgage subsidized for 2 full years!</p> <p>Locums and learners will be provided with their own accommodations. MICS Group of Health services owns and operates several properties for the accommodation of locums and medical learners. If a home is not available, one will be rented for you.</p>
Transportation	<p>As the Timmins Victor M. Power Airport is the nearest domestic airport, highway transportation is needed and therefore a vehicle is required.</p> <p>For assistance in renting a car for locum opportunities, please contact Sylvie Lavoie-Girard, MICS HR Director at sylvie.girard@micsgroup.com</p>
