

PHYSIOTHERAPIST –FULL TIME, PART TIME or LOCUM

Manitoulin Physiotherapy Centre is looking for Registered Physiotherapists within our unique and exciting private practice multidisciplinary team. We are an award-winning clinic offering a wide variety of services to patients from Manitoulin Island and the surrounding area. Our patients access care through private coverage, MVA and publicly funded programs (both Primary Care and Episode of Care). Manitoulin Physiotherapy Centre is a physiotherapist-owned clinic, staffed with full administrative support, and experienced professionals offering Physiotherapy, Massage Therapy, Chiropractic, Athletic Therapy, Kinesiology and Occupational Therapy. We have a diverse and growing practice setting, providing patients with a singular local resource for orthopedic care, acupuncture, concussion management, persistent pain management, pelvic health, seniors care including falls prevention, and paediatric school health support services.

Manitoulin Island is the center of the fresh water universe - an oasis for those who live life outdoors. Manitoulin is a boater's paradise in summer, a barrage of colour in the fall and a stunning winter playground. Anywhere you find yourself on the Island, you'll be only minutes from a lake.

We offer:

- Competitive remuneration for full time opportunities
- Customizable education support and career growth
- 1 hour assessments and 20 min follow-up times standard, (new grads start with 30 min follow-up times) to ensure you have time to develop your skill set
- Brand new facility with large windows and natural light and ample gym space
- Electronic medical record keeping
- Strong relationships with local health teams, consistent and stable referral base

Qualifications:

- Registered in good standing with the College of Physiotherapists of Ontario
- Experience in the following clinical areas considered an asset: general ortho/manual therapy and acupuncture, Paediatrics (school health environment or outpatient), Vestibular therapy.
- Excellent communication, interpersonal and documentation skills, and ability to work effectively in a dynamic team setting
- *New grads welcome to apply
