4:00 PM 16h 00	End of day/Camper Pick Up Fin de la journée		<b>Room/Salle:</b> MSE Lobby

**CampMed:** CampMed is founded on four pillars of learning that are represented in the CampMed logo: from top left and going clockwise, the icons represent the pillars of interprofessionalism, leadership, culture, and clinical skills.

Campers will gain and develop important knowledge and skill sets in each of these pillars through their participation in and completion of CampMed.

**TUESDAY, JULY 12, 2022**

4:00 PM 16h 00	End of day/CampMed Pick Up Fin de la journée		<b>Room/Salle</b> MSE Lobby

---

**Interprofessional:** Participants attending CampMed learn the importance of interprofessionalism in health-care settings by learning about various health careers and how those professionals work together to ensure the well-being and health of patients. The majority of the interprofessional learning at CampMed is provided by the health-care professionals who participate in the career fair as well as mentors who are the NOSM's students and undergraduate student volunteers from Northern Ontario.

**Leadership:** Throughout the week, the CampMed participants are provided with opportunities to observe the leadership skills of their mentors to build on their own leadership skills set as they are placed in situations that give them a safe setting to step out of their comfort zone and challenge themselves to lead.

**WEDNESDAY, JULY 13, 2022**

**LE MERCREDI 13 JUILLET 2022**

---

**Cultural:** At CampMed, participants will learn about Francophone and Indigenous health and culture in ways that will broaden their understanding of the health needs or Northern Ontario. In simple terms they learn what it means to be a socially accountable health professional. These cultural competencies are woven throughout the week-long curriculum.

**Clinical Skills:** CampMed offers participants a unique opportunity to get hands-on experience by learning medical and health sciences clinical skills, such as casting, doing IV injections, etc.
