

1201 B Amber Drive | Thunder Bay, ON P7B 6M4

Creative Therapy Associates is a center, based in Thunder Bay that has been providing Speech-Language Pathology and Occupational Therapy services in Northwestern Ontario for over 30 years. We strive to deliver quality, individualized, compassionate services to school boards, government agencies, long-term care facilities, community, and many private clients and their families.

We are looking for an energetic team player who is interested in casual, part-time or full-time employment. As part of this dynamic team, you will have the opportunity to provide services in your area of interest, with either a pediatric or adult caseload, or both. For pediatrics, you can work in schools and at our centre with pre-school and school aged children. Another role could include providing some virtual care to children in school boards in our surrounding area. Also encompassed in this position could include training and supervising of speech assistants and following-up with existing caseloads on a monthly basis in community. If you are interested in working closely with our multi-disciplinary team, you can also have a rewarding opportunity to provide intervention to children diagnosed with ASD. If your passion is the provision of intervention to adults, you will enjoy a position with our home and community care team.

We are looking for someone who is a determined and compassionate, who enjoys being creative in order to meet the specific needs of the clients in our communities. As this is a new position currently being developed, we are looking to gauge it to best meet the needs of the new Speech-Language Pathologist joining our team. The position can be as a subcontractor or as an employee, based on what works best for the individual taking on the position.

Responsibilities and Duties

Assessment, treatment and consultation for children ranging from age two through adolescence in domains such as receptive and expressive language, AAC, articulation and fluency and social communication in schools and in centre

Some travel to Northern Communities is required. This may be as part of the multi-disciplinary team or individually, based on which community is involved in the care.

Supervising and training speech assistants in surrounding communities.

Provision of virtual care.

Participating in Quality Improvement activities.

Continuing attendance at courses, conferences and in-services to upgrade knowledge and professional skills.

Experience and interest in working with adults with swallowing and communication needs in the community, long term care or clinical setting would also be an asset.

Experience working with and understanding of Indigenous families, communities and culture would be highly beneficial.

Qualifications and Skills

Master's degree in Speech-Language Pathology

Registration with CASLPO

Knowledge of evidence based practice

Must have a vehicle and a valid Ontario Driver's license

Job Type: Sub-contractor or employee, casual, part or full time

Salary: Based on experience, competitive

Employee position includes benefits, matching RRSP contributions, and 4 weeks vacation

Please submit a cover letter, resume and three professional references.

Creative Therapy Associates is committed to promoting an inclusive, diverse, equitable, and accessible work environment where all members are respected, supported and valued. We are dedicated to building a workforce reflective of the communities in which we live and serve and encourage Indigenous people, visible minorities, and persons with disabilities to apply to our posted job opportunities.

Creative Therapy Associates will ensure that all applicants are fully able to participate in the recruitment and selection process. Upon request, accommodations due to disability are available. Please advise if you require an accommodation at the time you are called for an interview.

In support of our commitment to a healthy and safe workplace and community, Creative Therapy Associates has a vaccination requirement for all employees. The successful candidate will be made an offer of employment on the condition of being fully vaccinated against COVID-19 and will be required to provide proof of full vaccination, prior to their employment start date. The requirement to be fully vaccinated is subject to provincial human rights legislation. If the candidate is unable to vaccinate for a reason protected by the Human Rights Code, a request for accommodation can be submitted and written proof satisfactory to Creative Therapy Associates will be required.

Creative Therapy Associates would like to thank all applicants for their interest, however, only those selected for an interview will be contacted.
