

## Registered Physiotherapist

Region: Thunder Bay, Ontario

Walser and Associates Physiotherapists is a private physiotherapy-owned clinic seeking a full-time physiotherapist to provide orthopaedic services. Caseload would include clients of all ages with impairments arising from MVA, WSIB, sport or other orthopaedic scenarios. We are a non-OHIP-funded clinic. The clinic staff consists of physiotherapists, a chiropractor and administration. Clinicians possess expertise in myofascial and orthopaedic manual therapy, pelvic physiotherapy, ART, vestibular rehabilitation, and McKenzie MDT. Responsibilities would include assessment and treatment of orthopaedic impairments, develop treatment plans as needed, maintain proper patient records and interaction with other medical professionals.

### Requirements:

- Registered physiotherapist in good standing with College of Physiotherapists of Ontario or eligible to practice in Ontario from another district and a member in good standing with the Provincial College.
- Member in good standing with the Canadian Physiotherapy Association
- Rostered to practice acupuncture and manipulation would be an asset
- Self-motivated and passionate individual willing to work in a multidisciplinary setting
- An individual who values continuing education
- Orthopaedic experience and manual skills a benefit

We offer a competitive salary, vacation pay, and an educational allowance.
