COMMUNITY DESCRIPTION

POPULATION AND DEMOGRAPHICS

Kapuskasing is the largest community located directly on Highway 11 between **Thunder Bay** and **Temiskaming Shores**. With a population of just over 8,100 residents, Kapuskasing is surrounded by many small communities, such as **Opasatika**, **Val Rita-Harty**, **Moonbeam**, **Fauquier-Strickland** and **Smooth Rock Falls**, and acts as the centre of services to a total population base of approximately 15,000.

Our bilingual town offers its residents a healthy lifestyle full of recreation and cultural possibilities.

More demographic information can be found [here](#).

AMENITIES

Kapuskasing boasts all the amenities associated with an urban centre, at a fraction of the cost, while providing the relaxing **lifestyle** of a smaller community.

HOSPITAL DESCRIPTION / SERVICES

Sensenbrenner Hospital

<https://www.senhosp.ca/>

Sensenbrenner Hospital is a bilingual family-oriented, community-governed facility dedicated to improving and maintaining the health of individuals within the catchment area from Opatatika to Fauquier. It is an integral part of a larger regional and provincial health and social service network and provides needs-based services in an atmosphere of collaboration and cooperation amongst all stakeholders, especially the public at large.

Sensenbrenner Hospital provides a broad constellation of services that includes comprehensive primary and selected secondary care, long term care, palliative care, and health promotion services. In providing these services, Sensenbrenner Hospital dedicates itself to the highest quality of care within available resources, to continual improvement of services, and to supporting the viability of the catchment area.

By providing care closer to home, following patients/clients through a spectrum of health services and working closely with others, Sensenbrenner Hospital is a model of integration, flexibility and cost-effectiveness.
