ATAC 6022 (Lakehead) & MSE 119 (Laurentian)

Meeting is also available via WebEx link:

<https://nosm.webex.com/nosm/j.php?MTID=m9a850e221bbe1e62e998ae0bb7b5fa96>

For OTN Video Conference: please specify location by registering with vauld@nosm.ca.

Heather Stanley, PhD, Faculty @ Univ. of Lethbridge, has research interests that include the history of maternal mental illness, narratives & experience, as well as gender & health.

This Group's Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1.0 Mainpro+ credits.

NOHHMG

The Northern Ontario History of Health and Medicine Group links students, faculty, researchers, practitioners, staff and interested individuals from across the North and beyond from a range of disciplines/professions. It is open to the public.

Learning Objectives: Demonstrate knowledge of the history of mental health. Discuss research methods, sources & results related to the history of mental health. Discuss and develop a wider critical perspective on the history of mental health that can help inform their perspectives on issues related to practice & relevant public debates.
