

**Application and Consent for Release of PGME File and In Training Assessments Form:
For internal and external transfer requests**

Name: _____

Program: _____

Training Level: _____

Email: _____

In conjunction with my transfer request, I give the NOSM University PGME Office consent to share my transfer application package and its contents with the NOSM University PGME training program(s) and/or PGME offices and respective programs identified on this form should my application proceed for internal, provincial or national transfer consideration. I understand that the following information will be provided as part of the transfer application package submitted to programs/schools identified on this form:

- All ITERs
- Summary of Training Dates (which includes leaves from the program)
- If applicable, summary from the PGME Office regarding any remediation and outcomes. If there are ongoing investigations / appeals in progress, the other school will be notified.

Transfer Request #1
