CHAD CLOWER SPEECH-LANGUAGE PATHOLOGIST PROFESSIONAL CORPORATION **IS HIRING!**

JOB SUMMARY

CC SLP PC is looking for enthusiastic, professional, knowledgeable and all around amazing sub-contractor, speech-language pathologists.

CC SLP PC is passionate about supporting under-served communities and people, people not receiving services that are on waitlists and bridging gaps in services. We believe that all patients deserve access to evidence-based, best-practice speech and language services to improve their health and happiness and that patients of all ages should be at the centre of their care.

QUALIFICATIONS

Certified Speech-Language Pathologist registered in good standing with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO).

Newly graduated applicants welcomed. CASLPO mentorship provided.

FLEXIBILITY

Our organization believes that each therapist makes a significant impact on our success. We want to allow the ability to build a private practice caseload that works for you both personally and professionally. We offer options to provide services face-to-face in Thunder Bay and Northwestern Ontario or virtually across the entire province of Ontario.

CC SLP PC will assist you in learning about private practice (clinical and business aspects), work very hard to provide you with a caseload (frequency/duration/population) that is comfortable and support you to be very successful in the private sector providing private speech and language services.
