

# Speech-Language Pathologist (SLP)

**Regular, Full-Time & Temporary, Full-Time (14-months)**

Our Speech-Language Pathologists work as part of collaborative multi-disciplinary teams. Responsibilities include assessment, development and monitoring of treatment programs, consultation with parents/caregivers and other service providers, and assistance with resource needs.

## Qualifications:

- Registration with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO)
- Proven ability to develop effective relationships with clients and members of an inter-disciplinary client care team
- Previous experience working with children
- Ability to be creative and flexible with service provision
