

Occupational Therapist

Full-Time / Part-time | Location: Parry Sound

Seeking for PARRY SOUND AND SURROUNDING AREA location

NEW GRADS WELCOME TO APPLY!

What we do:

We use a collaborative approach and creative problem solving to overcome those obstacles that prevent children from excelling in all areas of their development.

Our dedicated team of qualified therapy professionals provide specialized therapy services. Our therapy team consists of Occupational Therapists, Speech-Language Pathologists and a Mental Health team of Social Workers, Psychotherapists and Psychologists. This team is supported by office administration who works closely with families to provide integrated services, information, and support.

So, what do we offer you?

- Clinical Mentorship program
- Full administrative support (we manage all reception, appointments, invoicing, and billing for you).
- Health benefits
- Career development support which includes up to \$500 annual education allowance
- Orientation pay
- Vacation pay (4% of gross wages)
- Career advancement options available
- Leadership opportunities
- A team of amazing, caring and dedicated people

We believe in supporting YOU through our Mentorship Program!

Whether you are a seasoned clinician or new grad, we help you plan your certification and (new) programs to sharpen and add new skills to your clinical tool-kit. As clinicians our learning never ends.

How does it work? You'll meet with your assigned clinical mentor weekly to:

- Practice new and advanced techniques to build and sharpen your skills
- Get help to build a full caseload and maintain it
- How to create a treatment plan and keep patients committed to get even better outcomes
- Design a roadmap for your professional development and certifications.

Do you have these CORE VALUES?

- Commitment
- Family-Centered
- Passion
- Collaboration

Required Competencies:

- Master's Degree in Occupational Therapy with experience in paediatric treatment/assessment.
- You demonstrate a solid understanding and compliance with College practice standards.
- You rock at working independently and collaboratively as part of an inter-professional team.
- Strong critical thinking skills with the ability to set priorities and work effectively in a fast-paced environment.
- Experience with booking software and virtual treatment is an asset.

Key Responsibilities:

- Assessment and treatment of individuals within the defined scope of practice of a registered Occupational Therapist in Ontario
- Ensuring that informed consent is provided by the client/advocate.

- Necessary reporting within the standard set of the College of Occupational Therapy
- Supervision of OTAs in accordance with the College of Occupational Therapy regulations and requirements.
- Abiding by known privacy and confidentiality laws
- Maintaining cleanliness of the clinic by sanitizing, putting items used back to original position and locking up, as necessary

Have you applied with us before! We'd love to hear from you again!

Let's have a chat and determine if we are a good match!
