

## Freedom of Speech Annual Report (2024)

As instructed by the Ontario Ministry of Colleges and Universities (MCU), in their memos of September 12, 2018 and December 14, 2018, each of Ontario's publicly-assisted colleges and universities must prepare an annual report describing the institution's implementation of a [Freedom of Speech Policy](#) (the "Policy")

The institutional *Freedom of Speech Annual Report* (the "Report") is a public document and should respect privacy obligations. The Report captures events or incidents that took place between **August 1, 2023** and **July 31, 2024** as it relates to the Policy.

The Report is to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario (HEQCO) by **September 3, 2024**.

Accordingly, the Report has been submitted to [submissions@heqco.ca](mailto:submissions@heqco.ca) and has been posted on NOSM University's [website](#).

The following Report has been prepared using the MCU suggested template:

### Section A: Institutional Policy

Has your institution amended its free speech policy (or policy framework) since the time of your 2023 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

NOSM University has not made any revisions to the Statement on Free Speech or the framework since the last reporting period. The [most recent version can be found on our Statement on Free Speech website](#).

Where are members of the institutional community (or guests) directed when there is a free-speech-related question or complaint about an institutional event? Please provide contact information.

Mr. Ray Hunt, Vice President, Administration & Chief Operating Officer, receives questions or complaints related to the NOSM University Statement on Free Speech.

Contact Information:

Email: [rhunt@nosm.ca](mailto:rhunt@nosm.ca)

Phone: 705-662-7147

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

Where there is potential for security concerns related to NOSM University events, the Director, Planning & Risk Management is engaged to formalize a risk management plan. Given our institution's location on both Lakehead and Laurentian Universities' campuses, this would include contracting their respective security departments and/or private security companies for off campus events.

Much of NOSM University's academic learning activity occurs at various clinical teaching sites across northern Ontario (e.g. hospitals, medical clinics, etc.). Under separate affiliation agreements, teaching sites are responsible for security of our learners.

To our knowledge, there were no instances of non-curricular events that did not proceed due to security concerns or their related costs.

## Section B: Complaints

Between **August 1, 2023** and **July 31, 2024**, did any member of the institutional community (or guests) make an official complaint about free speech? If yes, please provide a general description that protects the privacy of complainants.

No official complaint was made about free speech during this period.

If there has been an official complaint (or more than one):

What were the issues under consideration? Please identify any points of contention (e.g., security costs, safety, student unions and/or groups, operational requirements, etc.).

Not applicable

How did the institution manage the free speech complaint(s)? Was the complaint addressed using the procedures set out in the policy? How were issues resolved?

Not applicable

### Section C: Summary Data
