

Mentoring Skills Development

E-Learning Program

This 2-hour program supports mentors developing skills in active listening, building the mentor-mentee alliance, effective communication, providing feedback, and responding to discord in the mentee-mentor relationship.

This program is one component of the CAMINO Program and is open to any faculty member interested in developing their mentorship skills. For those interested in further expanding their mentorship skills, explore the synchronous component of the CAMINO Program.

Learning Objectives

1. Describe the role of a mentor (Communicator, Collaborator, Professional).
 2. Apply communication strategies to cultivate a strong mentor-mentee relationship (Collaborator, Communicator, Scholar).
 3. Provide effective feedback to mentees (Collaborator, Scholar).
