Dr. David Turner is an award-winning historian of disability & medicine. Based at Swansea University, he is the first UK Professor in disability history. As well as award winning publications, Dr. Turner also engages in other ways with the public, including the BBC Radio 4 series Disability: A New History, which he co-devised.

This activity meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at NOSM University for up to 1 Mainpro+® Certified Activity credits

NOHHMG

The Northern Ontario History of Health and Medicine Group links students, faculty, researchers, practitioners, staff and interested individuals from across the North and beyond from a range of disciplines/ professions. It is open to the public.

Learning Objectives: Demonstrate knowledge of the history of disability. Discuss research methods, sources & results related to the history of disability. Discuss & develop a wider critical perspective on the impact of perspectives of the history of disability that can help inform their perspectives on issues related to practice & relevant public debates.
