

WELCOME TO RESIDENCY

Congratulations!

You're joining an amazing national community of residents across Canada — people who care deeply about learning, growing and making a real difference in health care. We're excited to be part of your next chapter!!

As a **CMA member**, you're joining thousands of residents nationwide who are leading positive change within the profession and across the health care system. You're part of a vibrant community that's ready to support you, champion you and celebrate your successes.

Not a member? [Join today](#) CMA membership is free to resident physicians.

JUMP START YOUR RESIDENCY:

- Join the [Ambassador Program](#): Meet physician leaders and peers from across the country, attend health related events and develop leadership. No minimum time commitment required.
- Invest in your continuing professional development through the [Physician Leadership Institute](#). In-person and on demand courses available.
- Nominate changemakers from across the country for their significant contributions to health, health care and the medical profession with [CMA Awards](#).
- Subscribe to [CMAJ Podcasts](#): Explore the latest in Canadian medicine and earn CPD credits.
- Strengthen your leadership skills with real experience by applying for [CMA board or committee leadership roles](#).
- Access health and wellness resources through our [Physician Wellness Hub](#).
- Connect with other physicians and peers at our [flagship events](#).

Update your contact info so we can support you throughout residency!

Hint: Your CMA profile might be a student profile. Ensure your contact information is up-to-date so you can continue to access our resources and support without interruption.
