

## JOIN THE NOSM UNIVERSITY BOARD OF GOVERNORS

NOSM University is Canada's first independent medical university, with a mission to strengthen Northern communities and health systems through socially accountable health education and research. As a member of our Board of Governors, you will play a vital role in fulfilling the special mission of NOSM University to provide programs that are innovative and responsive to the needs of individual students and to the unique health-care needs of the people of Northern Ontario and other northern regions of Canada, which includes people living in rural, remote, Indigenous and Francophone communities.

In our commitment to represent the diverse population of Northern Ontario, we particularly encourage applications from Indigenous and Francophone candidates, whose perspectives and lived experiences are essential to driving our mission forward.

### We are seeking expertise in:

- Higher education policy, governance, or management
- Health professional leadership with policy, risk, and quality experience
- Indigenous health governance leadership
- Infrastructure and capital planning
- Philanthropy and community building

NOSM University is committed to equity in its policies, practices, and programs, and supports diversity and inclusion in its teaching, learning and work environments. Membership of the Board is drawn widely to achieve the balance of skills and expertise required to enable the Board to fulfill its governance responsibilities.

### Applications Now Open

We are currently accepting applications for appointments on our Board.

### Learn More

Interested individuals can find detailed information about the role by visiting the **NOSM University website**.

### How to Apply

Please submit your application through our online application portal by **4:00 p.m. on June 19, 2026**.

### Your submission should include:

- A current resume
- A written statement explaining your interest in serving on the Board
- Completion of the online application
- References

Established to serve and be shaped by Northern Ontario, the University's growth depends on the health of the ecosystem around it—the people, communities, and partnerships. Don't miss this opportunity to make an impact!
