

Congratulations on beginning residency!

As you start residency, you'll be stepping into a new chapter — coming with clinical rotation schedules, taking on more responsibility in patient care and navigating life outside the hospital. You'll also be adjusting to a new financial reality, from managing medical school debt to managing your new resident salary.

MD Financial Management (MD) and Scotiabank® Healthcare+ are here to support you with advice designed specifically for physicians like you. We take the time to get to know your unique situation and help break down different aspects of your finances in a way that makes sense.

Additionally, MD is the only financial management firm dedicated exclusively to Canada's physicians, and with more than 50 offices across Canada we are always close by — no matter where you're located, for whatever you need.

To help you feel energized and ready for your new residency program, MD has brewed up a contest just for you!

Scan the QR code to book a meeting with us — plus get entered to win a Ninja Espresso & Coffee Barista System.
